a) If you are a First Party submitter and will be the Principal Party in Interest using this license, note that, in the electronic environment, this block does not function to send a license to any other interested party, and no other interested party will appear on the license. If you wish another party to be authorized to discuss this license, please enter the information in Block 24 (Additional Information) and name specific individuals.

b) If you need to add any party to be authorized under the license, but for whom there is no available field (such as a second Intermediate Consignee), list that party in Block 19 (End User Information), even if they are not an End User, and explain their role in the transaction in Block 24 (Additional Information), or in an attached Letter of Explanation.
